- #1. White Women - 81.0 Years
- #2. Black Women - 76.9 Years
- #3. White Men - 76.0 Years
- #4. Black Men - 70.0 Years

Pastor's Note: As I heard these statistics it reminded me of the Word of God spoken through Moses 3,500 years ago: "The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away," Psalm 90:10. That's 70-80 years of age.

Later in the Psalm, Moses admonished: "So teach us to number our days, that we may apply our hearts unto wisdom," Psalm 90:12.
