## Parking Lot Update

Some final preparatory work will be done this Friday and Saturday (June 12-13) on the lot. If this goes well it will be ready for concrete or blacktop. There is still about \$20,000 or more needed for that. Please say a prayer about this matter. If anyone can give be sure to designate this on your check or envelope.

Jesus said, Follow me and I will make you fishers of men. Recently I asked myself, "Am I following Jesus?" The "Fishers of Men" ministry is a good opportunity to follow Jesus. This ministry is as easy as handing out a tract and saying, "Did you get one of these?" We get God's Word in their hand and the Holy Spirit will work on them from there.

We will be ministering at Niagara Falls: Saturday, June 13 at 3pm  
Friday, June 26 at 6pm.

In Christ,

Brother Ken Beebe (523-6413)

We need...

Peanut Butter Jars  
Clear Plastic Spice Jars

... For this year's VBS!

Please put them in the box in the Bulletin Board Room.  
Thank you!!

## Take Three 15 Minutes

When Billy Sunday was converted and joined the church, a Christian man put his arm on the young man's shoulder and said, "William, there are three simple rules I can give to you, and if you will hold to them you will never write 'backslider' after your name.

"Take 15 minutes each day to listen to God talking to you; take 15 minutes each day to talk to God; take 15 minutes each day to talk to others about God."

This young convert was deeply impressed and determined to make these the rules of his life. From that day onward throughout his life we made it a rule to spend the first moments of his day alone with God and God's Word. Before he read a letter, looked at a paper or even read a telegram, he went first to the Bible, that the first impression of the day might be what he got directly from God.

## Stevenson on Missions

When Robert Louis Stevenson first saw the terrible devastations of leprosy he was almost turned into an infidel. But when he saw the miracle of Christian pity and compassion in the leper hospital at Malokai, his faith emerged triumphant, and he wrote in the guest book there:

*"To see the infinite pity of this place,  
The mangled limb, the devastated face,  
The innocent sufferer smiling at the rod -  
A fool was tempted to deny his God.  
He sees, he shrinks. But if he gazes again.  
Lo, beauty springing from the breast of pain!  
He marks the cisterns on the mournful shores;  
And even a fool is silent and adores."*

## The President Led in Devotions

In a meeting to pray for President Garfield's recovery, one of the classmates said, "Twenty-six years ago tonight, and at this very hour, our class was on the top of Graylock to spend the Fourth of July. As we were about to lie down to sleep, Garfield took out his pocket Testament and said, 'I am in the habit of reading a chapter every night at this time with my mother. Shall I read aloud?' They assented, and when he had read he asked the oldest member of the class to pray. And there, in the night, and on the mountain-top, we prayed with him for whom we are now assembled to pray."
