Fifteen Minutes After Communion

In a bulletin of a Roman Catholic church in Wisconsin this **amazing statement by a priest was printed:** "There have been a number of people leaving the church a few minutes after they have received holy communion.... This is a great dishonor to our blessed Lord. The Church tells us Jesus remains in our bodies fifteen minutes after we have received holy communion. That means that our thanksgiving should be at least fifteen minutes long.... We should not leave the church until our Lord is no longer with us!

- J. Wilbur Smith

Pastor's Note: How sad. So many have their faith in the Eucharist as the "receiving of Christ." **But what we receive in the mouth does not go into the heart. Jesus put it this way:** "And he saith unto them, Are ye so without understanding also? Do ye not perceive, that whatsoever thing from without entereth into the man, it cannot defile him; Because it entereth not into his heart, but into the belly, and goeth out into the draught, purging all meats?" *Mark 7:18,19.*

What we eat does not go into the heart! Just into the belly and out into the waste. "Do not ye yet understand, that whatsoever entereth in at the mouth goeth into the belly, and is cast out into the draught?" *Matthew 15:7*

It is the heart that matters. "For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." *Romans 10:10*

After we receive Christ by faith, He stays with us forever, not for 15 minutes! (John 14:16)
