Soulwinning

Beloved, if the church of God is to be His agent of redemption to these who are in darkness and are threatened with death, it must have a regenerated membership, be no respecter of persons, be ruled by His Holy Spirit and out after the lost-seeking to save.

- WB Riley

Greed

Greed is the logical result of the belief that there is no life after death. We grab what we can while we can however we can and then hold on to it as hard as we can..

- Catherwood

Learning

Those who differ with me have caused me to learn more than those who have agreed with me in everything.

- Unknown

Depression

Our despondent, unhappy moods are, for the most part, moods of ingratitude.

You cannot be thankful and unhappy at the same time.

Revival

Revival cannot be organized, but we can set our sails to catch the wind from heaven when God chooses to blow upon His people again.

- G. Campbell Morgan

A genuine revival without joy in the Lord is as impossible as spring without flowers, or day-dawn without light.

Charles H. Spurgeon
