Be a Friend

I went out to find a friend,
But could not find one there.
I went out to be a friend,
And friends were everywhere.

Best Definition

An English publication offered a prize for the best definition of a friend, and among the answers received were the following:

“One who multiplies joys, divides grief.”

“One who understands our silence.”

“A volume of sympathy bound in cloth.”

“A watch which beats true for all time and never runs down.”

But here is the definition that won the prize: “A friend - the one who comes in when the whole world has gone out.”

Be slow in choosing a friend, slower in changing.

- Benjamin Franklin

An old friend is better than two new ones.

- Russian Proverb

Associate yourself with men of good quality if you esteem your own reputation: for 'tis better to be alone than in bad company.

- George Washington

If you really want to know who your friends are, just make a mistake.

- The Bible Friend

So long as we love we serve. No man is useless while he is a friend.

- Robert Louis Stevenson

The church has a nice nursery in Room #14, by the restrooms. The carpets have recently been cleaned. The workers love the Lord and the church babies. There is also a silent pager system to call the moms if there is any situation with your baby. This ministry helps all parents and the church attenders to listen to the Word of God without distractions.

Mrs. Amy Spiller is directing this ministry this year. Thank you for your cooperation. Workers are needed. See Amy.
