How Margarine and Shortners are Made

- Manufacturers start with the cheapest vegetable oils, extracted at high temperatures and pressures from corn, cottonseed, soybeans, safflowers seeds, and canola.
- The last fraction of oil is removed with hexane, a toxic solvent.
- The oils, already rancid from the extraction process, are steam cleaned. This destroys all the vitamins and antioxidants, but pesticides and solvents remain.
- The oils are mixed with a finely ground nickel catalyst.
- The oils are then put in a reactor where at high temperatures and pressures, they are flooded with hydrogen gas. The molecular structure is rearranged - what goes into the reactor is a liquid oil, what comes out is a smelly, lumpy, grey semi-solid.
- Soap-like emulsifiers are mixed in to remove all the lumps.
- The oil is steam cleaned (again!) to remove the odor of chemicals.
- The oils is then bleached to get rid of the grey color.
- Synthetic vitamins and artificial flavors are mixed in.
- A natural yellow color is added to margarine - synthetic coloring is not allowed! The mixture is packaged in blocks or tubs and promoted to the public as a health food.

Bible is US's
Founding Document

Newsweek in December 27, 1983,
wrote:

"Perhaps even more than the Constitution, the Bible is our founding documents: the source of the powerful myth of the United States as a special, sacred nation, a people called by God to establish a model society, a beacon to the world . . .

"Bible study was the core of public education and nearly every literate family not only owned a Bible but read it regularly and reverently."

Today, the Bible has virtually disappeared from American education. It is rarely studied, even as literature in public classrooms.

Victory Verses: Ignorance

Proverbs 15:28

*"The heart of the
righteous studieth to answer:
but the mouth of the wicked
poureth out evil things."*

Proverbs 13:16

*"Every prudent man dealeth
with knowledge: but a fool
layeth open his folly."*

Jesus quoted Scripture
when the devil tempted
Him to sin. He used the
Sword of the Spirit,
which is the Word of God.

We should too!
(Matthew 4:1-11;
Ephesians 6:17)

An Excerpt from the
Christian Gentleman's Handbook

A gentleman does not
talk about other people in
the room.

A Christian gentleman is careful
not to say or do things that make
other people feel small.
