Amazing Science in the King James Bible

1. **The earth freely floats in space (Job 26:7), affected only by gravity.**

While other sources declared the earth sat on the back of an elephant or turtle, or was held up by Atlas, the Bible alone states what we now know to be true: "He hangeth the earth upon nothing."

2. **The Bible specifies the perfect dimensions for a stable water vessel (Genesis 6:15).**

Ship builders today are well aware that the ideal dimension for ship stability is a length six times that of the width. Keep in mind, God told Noah the ideal dimensions for the ark 4,500 years ago.

Birds Wonder Why Humans Worry

Said the robin to the sparrow,
"I really do not know
Why it is these human beings
Rush about and worry so."

Said the sparrow to the robin, 
"I think that it must be
That they have no heavenly Father
Such as cares for you and me."

Victory Verses: Fornication

Proverbs 23:21

*"For this is the will of God,
even your sanctification, that ye
should abstain from fornication:"*

1 Corinthians 5:11

*"But now I have written unto
you not to keep company, if any
man that is called a brother be a
fornicator, or covetous, or an
idolater, or a railer, or a drunkard,
or an extortioner; with such
an one no not to eat."*

Jesus quoted Scripture when the devil tempted Him to sin. He used the Sword of the Spirit, which is the Word of God. We should too! (Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the Christian Gentleman's Handbook

When a Christian gentleman communicates with others, he is aware of *what* he is saying (content), to *whom* he is saying it (attitude), *how* he is saying it (presentation), *where* he is saying it (place), *why* he is saying it (motivation), and *what* effect it will have on the one to whom he is speaking.
