**23, Wednesday** - Thanksgiving Dinner and Service, 6pm

*Happy Birthday!*

**25** Chris Ravert

**28** Angie Aldridge

## Gift Which Saved Livingstone's Life

When Livingstone went to Africa, a Scotch woman who had saved thirty pounds gave it to him with the words: "I want you to save yourself needless toil and exposure by hiring some competent body servant, who will go with you wherever you go, and share your sacrifices and dangers." With that money, Livingstone hired his faithful servant, Sebantino.

One day in the heart of Africa, a lion threw the missionary down and crushed the bones of his left arm. But Sebantino saved Livingstone at the risk of his own life. What if the gift had not been made?

## He Cooked His Own Meals

Robert Arthington of Leeds, a Cambridge graduate, lived in a single room, cooking his own meals; and he gave foreign missions 500,000 pounds on the condition that it was all to be spent on pioneer work within twenty-five years. He wrote these words: "Gladly would I make the floor my bed, a box my chair, and another box my table, rather than that men should perish for want of the knowledge of Christ."

## Nursery

**Sunday School**  
Traci Baran  
Amanda Wisiorek

**Sunday AM**  
Brooke Wirth  
Renae Garland

**Sunday PM**  
Carol Broughton  
Servant Needed

**Wednesday PM**  
Pam Golabek  
Grace Golabek

## Ushers

**Sunday School**  
Henry Moore  
Rick Vespa

**Sunday AM**  
Rick Vespa, Don Golabek  
Terry Benkelman, John Czech

**Sunday PM**  
Don Golabek, John Czech  
Terry Benkelman

**Wednesday PM**  
John Czech, Henry Moore  
Don Golabek

*Amazing Science  
in the King  
James Bible*

**45. Hydrological Cycle Described**

*(Ecclesiastes 1:7; Jeremiah 10:13  
Amos 9:6)*

Four thousand years ago the Bible declared that God “maketh small the drops of water: they pour down rain according to the vapour thereof: Which the clouds do drop and distil upon man abundantly.” The ancients observed mighty rivers flowing into the ocean, but they could not conceive why the sea level never rose. Though they observed rainfall, they had only quaint theories as to its origin. Meteorologists now understand that the hydrological cycle consists of evaporation, atmospheric transportation, distillation, and precipitation.

**46. Circumcision on the Eighth Day is Ideal**

*(Genesis 17:12;  
Leviticus 12:3; Luke 1:59)*

Medical science has discovered that the blood clotting chemical prothrombin peaks in a newborn on the eighth day. This is therefore the safest day to circumcise a baby. How did Moses know?!

*3 John 6*

*“Which have borne witness of thy charity before the church: whom if thou bring forward on their journey after a godly sort, thou shalt do well!”*

*Victory Verses:  
Filthy Words*

*“But now ye  
also put off all these;  
anger, wrath, malice, blasphemy,  
filthy communication out of  
your mouth.” Colossians 3:8*

*Ephesians 4:31 “Let all  
bitterness, and wrath, and anger,  
and clamour, and evil speaking,  
be put away from you,  
with all malice:”*

What is your “besetting sin”?  
Do you have any verses  
memorized to help overcome it?  
Jesus quoted Scripture when He  
faced temptation. We should too!  
(Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the  
*Christian  
Gentleman's  
Handbook*

A man may feel at ease to shake hands with anyone with whom he comes in contact in public situations.

Situations in which a gentleman does not extend his hand first: When introduced to a dignitary, when introduced to an older person, when introduced to a women.
