Every Room Decorated for God

Dr G Campbell Morgan testifies: "One day my father came to our home after I married and looked around. We showed him every room. Then he said in his usual rough way 'Yes; it is very nice, but nobody will know walking through these rooms whether you belong to God or the Devil. So I went through and looked at the rooms again and found him quite right.

'We decided that no room in our house would be without some message to tell that we served God.'

"And thou shalt write them upon the posts of thy house and upon thy gates." Deuteronomy 6:9
