The King James Bible contrasted with the New International Version

1 Timothy 3:16 The clearest verse in the Bible proclaiming that Jesus Christ was God. The King James Bible reads: "And without controversy great is the mystery of godliness: God was manifest in the flesh. . ."

The King James Bible says plainly, "God was manifest in the flesh." The NIV reads: "He appeared in a body."

The NIV twists "God" to "He." "He appeared in a body?" So what? Everyone has appeared in a body! "He" is a pronoun that refers to a noun or antecedent. There is no antecedent in the context. The statement does not make sense. The NIV subtility (see Genesis 3:1) perverts 1 Timothy 3:16.

The greek word for God is "theos." It appears in 1320 verses in the KJB New Testament. Never once is it translated "He." Always "God!"

A Note from Pastor Seth:

"If you are committed to go on the Jamaica Missions Trip (August 2014), I need:

- ⇒ A copy of your Passport
- ⇒ \$500

"I need these items to purchase your ticket! If they aren't turned in by the **beginning of May**, I can't buy a ticket for you!"

How People are Reached

The Institute for American Church Growth asked over 10,000 lay people this question:

"What was responsible for your coming to Christ and this church?"

This is how they replied:

1. I had a special need - 2%
2. I just walked in - 3%
3. I like the Minister - 6%
4. I visited there - 1%
5. I like the Sunday School - 5%
6. I attended a Revival service - 1/2 of 1%
7. I liked the programs - 3%
8. A friend or relative invited me - 79%

A Christian Republic

Judge Nathaniel Freeman in 1802 charged the Massachusetts Grand Juries as follows:

The law of the Christian system, as embraced by the Bible, must be respected as of high authority in all our courts, and it cannot be thought improper for the officers of such government to acknowledge their obligation to be governed by it's rule ... [Our government] originating in the voluntary compact of a people who in that very instrument profess the Christian religion, it may be considered, not as republic Rome was, a pagan, but a Christian republic.
