Dr Kermit Long says, "With all our education, our fine buildings, our image of the church, we are doing less to win people to Christ than our unschooled forefathers did. We're no longer fishers of men, but keepers of the aquarium, and we spend most of our time swiping fish from each other's bowl."

Jesus said, "...follow me, and I will make you fishers of men." Matthew 4:19

**Any church that is not fishing is not following!**

## CHARLES SPURGEON ON PRIDE:

None have more pride than those who dream that they don't. You may labor against vain glory until you conceive that you are humble, and the fond conceit of your humility will prove to be pride in full bloom. It aids humility full well and is then most truly pride. Pride is a sin with a thousand lives, it seems impossible to kill it. It flourished on that which should be its poison, glorying in its shame. It is a sin with a thousand shapes. By perpetual change it escapes capture. It seems impossible to hold it. The vapory imp slips from you, only to appear in another form and to mock your fruitless pursuit. To die to self, one would need to die himself."

Spurgeon was a Baptist preacher in England in the 1800's

Obadiah 1:3 says, "The pride of thine heart hath deceived thee..."
