Contenders for our Country

This year we will meet the 55 signers of the Declaration of Independence. Though the Declaration was finished on July 4, 1776 the it was not signed till August 2, 1776. We will list them in the bulletin in the order in which they signed.

The first state was New Hampshire (14 states signed). They went in order form North to South. The document ends with these dramatic words, "...we mutually pledge to each other our lives, our fortunes, and our sacred honor."

Signer #2: Matthew Thornton (1714-1803)

Age at Signing: 62

Married with 5 children. Physician.

Quote: "We would, therefore, recommend to the colony at large, to cultivate that Christian union, harmony, and tender affection, which is the only foundation upon which our invaluable privileges can rest with any security, or our public measure be pursued with the least prospect of success."

2015 THEME: CONTEND

"Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints." Jude 3

Reasons for Prisoners

Six hundred teenagers found in New England's prisons gave these startling facts as to why they were there:

- 6 out of 10 had fathers who drank to excess. Many had mothers in the same condition.
- 3 out of 4 were permitted by parents to come and go as they pleased. No parental oversight.
- 7 out of 10 had homes where no group or family activities were enjoyed.
- And for all of them, no family altar, no Sunday School attendance.

Please note the "CARDS FOR CONTENDERS" that will appear in the bulletin each week. All are encouraged to purchase a 3x5 card box from the store and start a collection.

Also, if you have subject that you would like to address, write out your subject and the best answer you can for Pastor's consideration.
