Contenders for our Country

SIGNERS OF THE DECLARATION OF INDEPENDENCE

Joseph Hewes,

Signer #47: Joseph Hewes (1730 - 1779)

North Carolina. Age at signing: 46

Occupation: Merchant.

Married: No, Isabella died just days before their wedding.

Quotes & Notes:

Hewes lived for just over three years after the signing. Illness forced him to leave Congress on October 29, 1779, and he died 12 days later at 49 years of age. It is believed that his death was caused by overwork and that he had sacrificed his health to help free his country. He is buried in Christ Church graveyard in Philadelphia.

The Mustard Seed

Jesus said, "It is like a grain of mustard seed, which, when it is sown in the earth, is less than all the seeds that be in the earth."

Skeptics claim that this verse is an error: "The mustard seed average size is approximately 1.0 millimeter in diameter. The basil seed average is .5 millimeter, the daisy seed is .4 millimeter, the lavender seed is .35 millimeter. Obviously these three seeds are smaller than the mustard seed." However, the mustard seed in Israel was less than .35 millimeters. We can know this as absolute fact, here we have the maker of the mustard seed telling us so. See John 1:3

Thanking God For Everyday Things

There is so much we have in life
For which we cannot pay
The things we take for granted
In our journey day by day.

From early in the morning
Until the day is done,
We ought to count our blessings
And name them one by one.

Health, peace, happiness;
Love of kin and friends;
Birds, trees, flowers, seas;
A list that never ends.

Summer, autumn, winter, spring,
Each brings something rare,
And we accept what comes our way
Without a thought or care.

We really ought to think a bit
Of what we have, and why.
There is so much belongs to us
The stars, the moon, the sky;

The very air we breath each day,
And food upon the board;
And the only way we can ever pay
"Our thanks to Thee, O Lord."
