The University of Houston studied quotes that were found in 10,000 documents of the original founders of America. 34% of all the quotes were from the Bible. "Blessed is the nation whose God is the LORD; and the people whom he hath chosen for his own inheritance." Psalm 33:12. Don't complain about America. Pray for America!

## Bible Reading and Power

To read through the New Testament four times a year, read three chapters a day. It will take about 20 minutes. There are 260 chapters in the New Testament. To read through the whole Bible in a year, read 3 chapters on each week day and 4 chapters on each weekend day. There are 1189 chapters in the Bible. Simple schedules are available from the church. Dr. J. Wilbur Chapman was once asked what was the secret of his power. He replied. "I find that I have power just in proportion as my soul is saturated though and through with the Word of God." Chapman was a powerful Presbyterian preacher (1859-1918) Soul winner, Evangelist and Song Writer. His two most famous Hymn's were "One Day" and "Our Great Savior".

## A Wedding Day Resolve

A solicitor and his wife on their wedding day resolved to read the Bible though each year. The solicitor became the Lord Chancellor of England. After his death, this sentence was found in his Journal: "This day my wife and I finished reading the Bible through for the fortieth time, and the last time we read it, it was SWEETER AND MORE PRECIOUS THAN EVER BEFORE." The above incident was related in Nanking, china. Later a missionary, Dr. A. Sydenstricker said: "A farmer in the Southern States of America read the Bible through once each year for fifty years. He had seven sons. Five of them became ministers of the Gospel, and two of them elders of the church. One of the minister sons has been a missionary in China for more than forty years and I AM THAT SON."
