## The Cuckoo Response

They wanted a Christian wedding but a quiet one; so they chose to be married in the parsonage rather than in the church. The pastor's wife had made everything spic and span for the occasion. When the time came, the wedding party arrived, and the ceremony proceeded.

The minister (who happened to be my son) came to the part where the bride is asked, "Do you take this man to be your lawful wedded husband?" Just at that instant the clock just above the heads of the couple interrupted with its hourly serenade. In this instance it was a bombast of seven appropriate "CUCKOOS".

The bride never regained her composure throughout the rest of the ceremony. -Carl Williams

## Why Life-Long Marriage

A man and a woman should choose each other for life for the simple reason that a long life is barely enough time for a man and woman to understand each other and to understand is to love.

- D. George Truett
