## Sometimes What You Hear Isn't Right!

Have you ever heard that religion has started more wars than anything else? That is wrong.

According to the Encyclopedia of Wars, published in 2004:

- There have been 1,763 wars in known history.
- 8% of those wars were religious wars. 2/3 of the 8% were in the name of Islam.
- 2.64% of all wars were started by "Christianity" (see note below) or some other religion beside Islam.
- 92% of all wars were political wars started by atheists, imperialists, fascists, communists, Nazis dictators, etc..

In the 1900's communists were especially bloody. Their murderous philosophy based on evolutionary "science" led to the deaths of 130,000,000 in that century according to the Congressional record. Most of those were killed under:

Pol Pot (Cambodia) - 1,700,00  
Vladimir Lenin (USSR) - 5,000,000  
Mao Tse Tung (China) - 40,000,000  
Josef Stalin (USSR) - 60,000,000

Note: Some have feigned themselves to be Christians or pretended to act in "the name of God," but...

1 John 3:15 says,  
"Whosoever hateth his brother is a murderer: and ye know that no murderer hath eternal life abiding in him."
