"October is stewardship month"

A big huge THANK YOU to all the servants and Church Staff who made this year's Missions Conference so meaningful. So much work goes into this week by so many people! God bless you all! What a great week!

Please participate this year in Faith Promise Missions Giving by filling in a card today and dropping it in the offering basket or setting it on the pulpit. Our prayer is for 75 cards to be collected between Church and Chapel and \$160,000 in promises. So far about \$100,000 has been promised!!!

Josiah and Heidi Bell are both serving in the Air Force and are stationed at Ellsworth Air Force Base in South Dakota. They are planning a wedding for this coming

March 3. They were married on Thursday, September 28th, by a Justice of the Peace so they could get a place on the list for married housing there on base. Josiah would like to have Heidi settled in to a home before his probable deployment late Spring or early Summer.

Alcohol is poison. It injures the brain cells, abnormally accelerates the heartbeat, helps destroy the blood vessels, and causes at least temporary loss of thinking faculties.

The first drink may bring laughter; later it will bring groans.

The expert examining the records of forty-two insurance companies concluded that the habitual drinker shortens his life by ten to twelve years.
